# Attila 180

The **Etesia Attila 180** revolutionary ride-on brushcutter has been designed for safe mowing on banks and uneven terrain.

*Unique in its concept:* automatic self-levelling keeps the operator, engine and controls upright, whilst the floating cutting decks follow uneven terrain contours. Safe on slopes up to 50%.

**RRP: £37,200 + VAT**

**Ex-Demonstration Price: £19,995 + VAT**
